Dear Director

I am writing this letter as a general recommendation for Martina Koronci Babinská. I had the great pleasure of teaching Martina High Advanced Business Communications and English from March to June 2017. In this capacity she successfully accomplished a variety of academic and professional tasks.

Throughout her study career here, Martina has manifested the program mission of respect, collaboration and knowledge sharing with superlative effectiveness and efficiency.

She is punctilious and diligent in her work. She prepares for and promotes intra-team communication in class with great resourcefulness and commitment; she is able to exploit resources to her teams' specific needs and she produces immediate, tangible and accurate results. Linguistically, she shows excellent self-awareness and is taking the appropriate developmental steps towards accuracy and fluency.

Martina's professional approach to her tasks places her in high esteem among her peers and she has contributed significantly to our program's success. Her combination of intelligence, creativity and leadership make Martina the kind of person any progressive organization should be happy to have.

As Martina's stay is coming to an end and she moves forward to another challenging stage in her career, I wish her every success.

Yours faithfully
